Finnes Gud? Science, God and the search for truth

Join a cast of experts debating evidence for God’s existence as they:

- journey into the cosmos
- explore the wonders of life
- probe the mysteries of the human mind and brain

“Superb programmes for all who want to understand why Christianity is a better and more convincing explanation of our existence than atheism.”
Professor John Lennox, The University of Oxford

“Every believer and non-believer should see this excellent series that addresses the most important questions of life.”
Dr Greg Pritchard, Director European Leadership Forum

The God Question for Starters

- Take the ‘fast track’ version of the Finnes Gud? series with ten short excerpts per programme
- Perfect for all who wish to take the Science and God question journey more quickly
- Ideal for younger teenage viewers and those in a hurry to learn

“A wonderful new resource to equip Christians to answer the questions people are asking.”
Rev Dr Fergus Macdonald, Former General Secretary, United Bible Societies.

“Nothing better for stimulating debate about the big issues in life.”
Dr Liam Fraser, Campus Minister, The University of Edinburgh.

Against the Tide

A new cinematic film featuring Professor John Lennox and American actor Kevin Sorbo as they

- explore ways in which science makes the case for God
- journey to Israel to investigate the case for Jesus’ resurrection
- experience how John Lennox has stood against the tide of modern atheism

“Inspiring film... Many are asking the big questions and the film really opens that up in a special and unique way.”
David Aird

“Superlative in its content and presentation of the key questions – highly engaging and informative.”
Professor Chris Packard

Join a cast of characters, with different perspectives, thinking through some of the biggest questions in life, as they discuss atheist Richard Dawkins’ book Outgrowing God: A Beginner’s Guide.

‘[a] delightful dialogue/critique of one influential atheist’s philosophy…’  
– Craig L. Blomberg, Distinguished Professor of New Testament, Denver Seminary

‘Excellent work . . . engaging, interesting and insightful.’  
– Dr Lars Dahle, Associate Professor in Systematic Theology and Christian Apologetics at NLA University College, Norway

‘an important and insightful book… I highly recommend it.’  
– J.P. Moreland, Distinguished Professor of Philosophy, Biola University

‘provides many stimulating arguments on an introductory, easy-to-understand level… tackling decisive philosophical, theological, historical and scientific arguments, and providing many useful resources…’  
– Martin Heide, Professor of Semitic Languages, Phillip University in Marburg, Germany
